Interview with DeeAnn Hall, Owner of Eugene City Bakery

Gillian and Isabel interview Deann, the owner of Eugene City Bakery.

By Gillian B. and Isabel S.

Q: Do you have to wake up early?

A: Bakers start at 10 p.m. and work until 6 am.

Q: Is it really hot in the bakery?

A: It is very hot.

Q: What do you bake?

A: I bake cookies, pies, cakes, and other pastries.

Q: Do you use any special tools when you bake?

A: We use giant mixers, a dough sheeter, a very, very big oven, a proofer, and a walk-in-refrigerator. The giant oven came from Germany.

What it was like to do the interview: The interview with DeeAnn Hall was very fun because we got to take a tour of the bakery and take notes about the bakery. Deeann Hall was really nice and she was very easy to do an interview with. The bakery has huge mixers and a huge refrigerator, and the food was awesomely delicious.
